Just after I married I had indifeeling after meals. This made me very uncomfortable. I would feel stupid and drowsy, didn't feel like working. I was told it was indigestion. Some one recommended Black-Draught and I took it after meals. I soon could eat anything

"I use it for colds and bilious-ness and it will knock out a cold and carry away the bile better and quicker than any liver medicine I have ever found."

Eating too fast, too much, or faulty chewing of your food, often causes discomfort after meals. A pinch of Black-Draught, washed down with a swallow of water, will help to bring prompt relief. Bloat-od sensations, eructations, bad breath and other common symptoms of indigestion have disappeared after Black-Draught has been taken for several days.

(By Associated Press). CAVE CITY, Feb. 17 .- The body of Floyd Collins will be left in his natural tomb. His funeral service will be held this afternoon at the mouth of the shaft which was dug to rescue him, but in vain. His aged father, Lee Collins, consented to this arrangement after Doctor William Hazlett of Chicago, had examined Collins and pronounced him dead. Seven friends of Collins crawled down the tunnel to identify him as members of the coroner's jury, including Magistrate Clay Turner, acting Coroner. Doctor Hazlett came up the shaft this afternoon and said he had identified Collins through a gold front tooth. He announced that Collins had been dead between three and five days when he was reached yesterday.

The flu has been visiting at Kings Highway. Mr. and Mrs. Will Bush both have been quite ill with it.

Mrs. Clint Manning's condition is said to be critically serious. An attack of the flu at her advanced age makes recovery difficult.

A birthday celebration was given by Mr. and Mrs. M. Corgey, on Sunday, February 15, for three members of the family: Mr. Corgey, his daughter, Mrs. James Ray of Mumford, and a granddaughter, Grace McDonnell. Those present were: Mr. and Mrs. Rube McDonnell and family; A. J. Corgey and family; Mr. and Mrs. B. Wilson and family; Mr. and Mrs. D. R. Melton and family; Mr. and Mrs. James Ray, Mrs. Ray's girl friends, Misses Jettie and Minnie Nash. All enjoyed a feast of good things to eat for dinner.

In the afternoon, at the Macy Christian church, a fine sermon was delivered by Rev. J. S. Daugherty from Rockdale. The subject was "Friendship." Rev. Daugherty is a fine speaker and singer, also. We trust we shall have him back with us again in July to conduct a ten days' meeting.

Our Sunday school is progressing nicely. We have our new Sunday school book on "Sound Doctrine," volume 4, for the larger class. The book contains splendid material which enables us to enjoy fine lessons. Rev. H. E. Kelly will fill his regular appointment the fourth Sun-
